

Final Instructions for the HSCC Historic Sporting Trial – Saturday 19th August 2023

We are looking forward to welcoming you to the HSCC Historic Sporting Trial at: -

Plashes Farm, Gore Lane, Colliers End, Near Ware, Hertfordshire SG11 1ES

Scrutineering will start at 9.00am and will consist of a visual inspection. Please follow the scrutineer's instructions such as removing the bonnet, demonstrating the isolator switch is working etc.

The First Test is at 10.30am. The marshals will only record the drivers score on their score card and the marks on these cards will be used to compile the results. Drivers will be given a score card on which they can if they wish record their scores.

Hopefully there will be 3 rounds of 6 hills with lunch break after the second lap. Format may change due to weather conditions.

We have obtained the services of a number of marshals, but we could do with more. Training will be given at the start and marshals are entitled to free food and drink at the food van.

We have the excellent “Smith Fine Catering” on hand from 8.30am – please make use of their services. Toilets have been arranged.

Charlie Wooding will be taking photographs – see his website for examples of his superb shots taken at our previous trials.

Attached is a provisional list of competitors. Directions to the site are attached.

Spectators are welcome.
